# VERIFICATION OF 2017 INCOME INFORMATION FOR PARENT NON-TAX FILERS

The instructions and certifications below apply to each parent included in the household. Complete this section if the parents will not file and ***are not required*** to file a 2017 income tax return with the IRS.

**Instructions**: Since your parents indicated that they had earned income in 2017 but were not required to file taxes, they must list each source of income in 2017 and provide the associated W2 or 1099. Please list each source of income in the table below. Failure to accurately report income and provide W2 and/or 1099 forms will delay the awarding process for your account. **Do not submit this form without the required 1099 or W2 forms**. If you are reasonably unable to obtain a 1099 or W2 form, please contact the financial aid office for additional guidance.

If more space is needed, provide a separate page with the student's name and ID number at the top.
