

2017 Verification of Non-Filing Letter (Student)

Since you indicated that you (and your spouse, if applicable) did not file taxes in 2017, the United States Department of Education requires that you provide a signed and dated statement attesting to the fact that you (and your spouse, if applicable) did not file. Please review the statement listed below. If the statement listed below is accurate, please sign the form and return it to the financial aid office at your very earliest convenience. **You may complete this form if, and only if, you have previously attempted but were unable to obtain a Verification of Non-Filing Letter (“VONF”) from the IRS. You can obtain a VONF from the following website: <https://www.irs.gov/individuals/get-transcript>.**
