

Communication Purpose: FAFSA submission encouraged

Mode: Email

Student Group: In-eligible Commuting Students

Subject: Emergency Student Grant Funds

Dear Student,

We appreciate your patience as we have navigated federal and state guidance in determining how best to assist our students financially during this unprecedented time.

You may be eligible for an Emergency Student Grant which we hope will assist you with possible expenses related to the disruption of campus services due to the coronavirus pandemic, including expenses such as food, course materials, technology needs, transportation, etc.

The best way for us to determine your eligibility for this grant is for you to first submit the **2019-2020 FAFSA** at www.fafsa.gov. NGU school code: 003441. Commuter students will soon be provided with additional instruction on how to apply for grant consideration. Again, submitting the **2019-2020 FAFSA** is the first step for consideration of this funding.

If you have any questions regarding instruction on submitting a FAFSA, please contact us at NGUcentral@ngu.edu.

Please know that we continue to pray for you during this time.

Sincerely,

NGUcentral

North Greenville University
