

NGU PA Program Goals (Cohorts 2020-2022)

Goal 1 – PA employment as a primary care provider

Goal 2 – PA employment in the Upstate and other regions of South Carolina

Goal 3 – PA employment in underserved populations and areas

Goal 4 – PA volunteerism in community-sponsored organizations such as free medical clinics, search and rescue teams, emergency response groups, and fire departments

Goal 5 – PA volunteerism in medical mission work at a national and international level

1. NGU PA Graduates Employed as a Primary Care Provider

Criteria – Graduates Working as Primary Care Providers

Measures/Benchmark

Graduates Working as Primary Care Providers/15% of Cohort (C20 5, C21 5, C22 5)

Success of Goal

Cohort of 2020	Cohort of 2021	Cohort of 2022	Benchmark
17% (5)	17% (5)	27% (8)	15%

2. NGU PA Graduates Employment in the Upstate and other regions of South Carolina

Criteria 1 – Graduates practicing in Upstate South Carolina

Measures/Benchmark

Graduates practicing in upstate South Carolina/15% of Cohort (C20 5 , C21 5, C22 5)

Success of Goal

Cohort of 2020	Cohort of 2021	Cohort of 2022	Benchmark
27% (8)	17% (5)	40% (12)	15%

Criteria 2 – Graduates practicing in South Carolina

Measures/Benchmark

Graduates practicing in South Carolina/30% of Cohort (C20 9, C21 9, C22 9)

Success of Goal

Cohort of 2020	Cohort of 2021	Cohort of 2022	Benchmark
45% (13)	48% (14)	40% (12)	30%

3. NGU Graduate PA Employed in Underserved Population or Area

Criteria – Graduates Working in Underserved Areas

Measures/Benchmark

Graduates Working in Underserved Areas/10% of Cohort (C19 3, C20 3, C21 3)

Success of Goal

Cohort of 2020	Cohort of 2021	Cohort of 2022	Benchmark
38% (11)	59% (17)	67% (20)	10%

4. NGU Graduate PA Volunteerism in the Community

Criteria – Students Volunteering in Local Community

Measures/Benchmark

% Student Volunteering in Community/20% of Cohort (C19 5, C20 6, C21 6)

Success of Goal

Cohort of 2020	Cohort of 2021	Cohort of 2022	Benchmark
20% (6)	20% (6)	10% (3)*	20%

*Less than one year in practice

5. NGU Graduate PA Volunteerism in Areas Outside Local Community

Criteria 2 – Students Volunteering in Medical Mission Work

Measures/Benchmark

% Student doing Medical Mission Work/20% of Cohort (C19 5, C20 6, C21 6)

Success of Goal

Cohort of 2020	Cohort of 2021	Cohort of 2022	Benchmark
20% (6)	20% (6)	7% (2)*	20%

*Less than one year in practice
