

VERIFICATION OF 2023 INCOME FOR NON-TAX FILER (SPOUSE)

Since your spouse indicated that they had earned income in 2023 but were not required to file taxes, they must list each source of income in 2023 and provide the associated W2 or 1099. Please list each source of income in the table below. Failure to accurately report income and provide W2 and/or 1099 forms will delay the awarding process for your account. **Do not submit this form without the required 1099 or W2 forms.** If your spouse is reasonably unable to obtain a 1099 or W2 form, please contact the financial aid office for additional guidance.

If more space is needed, provide a separate page with the student's name and ID number at the top.
